ANNUAL REPORT OF SCHOOL

Ref No.

Date. 29/10/20

Welcome to the Annual Report of I.T Next Gen School 2019-20, a Platform to communicate directly with the Parents, Students, Staff members and Well-wishers. In this Annual Report, the main emphasis is on the Activities, Academic Results, Sports Day, Fresher's Party, Annual functions, PTA Meets, Celebrations done in School and achievements during the academic year 2019-20.

Academic Results: With great Pride and honor, The School presents the Examination Result of 2019-20. Thanks to the hard work of our dedicated staff and importantly continuous efforts & vibrant cooperation of our students along with their Parents.

Freshers Party: Our pupils from class NUR-1st walked into the school with new energy and enthusiasm to commence the new academic year filled with new dreams and surprises, on 14 March 2020 and were warmly welcomed through a Freshers Party. Certain Cultural performances were given by the students to welcome the new arrivals in School.

Education for Growth of Inner spirit: Daily morning Prayer and assembly is one of several important and good practices we have at ITNG School. Each Class Prepares well for it with a specific prayer, motivational thoughts, News, Pledge and special performances. Value Education and Moral Science is taught through Teachers speeches on everyday basis. Counselling facility is given to Students when in need. In this era of doubt & communal Harmony, we help our students to live in love and respecting one another's faith & beliefs by celebrating major festivals like Diwali, Christmas etc.

Academic Excellence and Intellectual Development: True Education means training in excellence, which makes a person passionately desire to be a perfect citizen. We believe that learning takes place all the time and everywhere. The guided library period every week awakens in them a taste to value books and creates a desire to read good books, and not just depend on the internet for their assignments. Every exposure/interaction is an opportunity to learn, only if we are interested in improving and exploring. Realizing this, we provide ample opportunities to our students for outdoor learning.

Students are regularly taken to ground and out of the classroom areas to inculcate practical thinking skills among them. Competitions and activities organized offer opportunities for students to learn the values of teamwork, individual and group responsibility and a sense of culture and community. Extracurricular activities provided a channel for reinforcing the lessons learned in the classroom in a real-world context, and are thus considered an integral part of a well-rounded education. Realizing this, opportunities were provided to students to take part in a number of activities and competitions-both intra and inter school.

Towards Sports and Games Championship: Sports and Games are a great way for students to develop skills, achieve goals, learn cooperation, and stay physically fit. Hence, we have allotted regular periods for games activities, mass P.T. exercises and Yoga classes. Besides special coaching in basket ball, football, volley ball, table tennis and chess is provided. Annual Sports Meet was held in the month of October- November 2019.
